XII *Mon.* February hath xxviii days.

Self Love but ſerves the virtuous Mind to wake,
As the ſmall Pebble ſtirs the peaceful Lake;
The Centre mov'd, a Circle ſtrait ſucceeds,
Another ſtill, and ſtill another ſpreads,
Friend, Parent, Neighbour, firſt it will embrace,
His Country next, and next all human Race;
Wide and more wide, th' o'erflowings of the Mind
Take every Creature in of every Kind.

I *Mon.* March hath xxxi days.

Fame but from Death a Villian's Name can ſave,
As Juſtice tears his Body from the Grave;
When what t' oblivion better were reſign'd
Is hung on high to poiſon half Mankind.
All Fame is foreign but of *true Deſert*,
Plays round the Head, but comes not to the Heart.
One *Self-approving Hour* whole Years outweighs
Of ſtupid Starers, and of loud Huzza's.
